PRIVACY POLICY

Privacy Policy for Medical Consultants' Web Site

At Medical Consultants, we respect the privacy of our web site visitors. We use information you provide to better serve your healthcare needs. This policy applies to all websites owned, operated, or overseen by Medical Consultants, PC

Use of Personal and Non-Personal Information

We may collect two kinds of information about our on-line visitors, personal and non-personal information. Visitors are not required to register to access the public non-personalized pages of Medical Consultants, PC sites. Non-personal information may be collected to track the total number of guests visiting Medical Consultants sites and to guide our efforts to improve our sites. The non-personal information we monitor includes the browser type and operating system being used by our visitors; areas of the sites visited; date of access; host or service-provider information, and identification of the referring site. This information is used exclusively for our internal purposes.

Personal information can identify a visitor, such as name, address etc. is collected only when voluntarily offered in some areas of our site and solely for purposes that are clearly identified on our sites. Access to pages with content specific to you may be password-protected and may require pre-registration. Personal information acquired through registration is kept confidential and will not be disclosed to third parties except as may be required by law.

Our Use of Customer Information

Medical Consultants' policy is to limit access to customer information. We do not disclose customer information to third parties. We do not presently conduct direct online or telephone sales programs to our customers using information obtained from our web sites without prior consent.

Use of "Cookies"

Medical Consultants, PC may place an electronic "cookie" in the browser files of a guest's computer. Cookies are pieces of information that a web site transfers to an individual's computer hard drive for record-keeping purposes.

Internet Communication

The privacy of communication over the Internet cannot be guaranteed. Medical Consultants, PC does not assume any responsibility for any harm, loss, or damage you may experience or incur by sending of personal or confidential information over the Internet by or to Medical Consultants, PC
